

**Track Descriptions for ESU for Kids Astonishing April
on Saturday, April 27, 2019
at ESU's Science and Technology Center from 9 am to 3 pm
COST: \$65 per student**

PLEASE NOTE – You may only choose and stay with one track for the entire day. You may not pick and choose between tracks.

**Track 1 – ages 10-18
Spectacular Super Heroes and Gaming
Instructor: Scott Hnasko**

In **Comic Heroes Roleplay**, you'll play as your favorite comic book hero and roll the dice in an exciting adventure!

In **DC Comics Deck Building Game**, you'll take heroes into thrilling battles against evil super villains.

Can you work cooperatively with teammates to solve puzzles and riddles in our **Super-Hero Themed Escape Room**?

Finally, win prizes in our **Comic Character Trivia Contest**.

****Note – this track is strictly limited to 8 students.**

**Track 2 – ages 6-11
Cooking and Crafts
Instructor: Becca Perri**

In **Hot Glue Crafts**, you'll create whimsical, seasonal masterpieces with hot glue. Share them with your family!

During **Gluten-Free Creations**, you'll learn how to make gluten-free creations to impress your friends and family! Bon Appetit!

Finally, for **Spring Into Crafting**, you will create springtime works of art inspired by your creativity.

(PLEASE SCROLL DOWN FOR MORE TRACK DESCRIPTIONS)

Track 3 – ages 10-18
Watercolor and Fabric Dyeing Techniques
Instructor: Heide Molinaro

Your instructor for this course is an experienced, friendly art teacher.

Students will learn and practice various watercolor techniques: wet in wet, salt resist, brush spatter, alcohol resist, and tape marking!

Afterwards, students will enjoy fabric dyeing techniques: Sharpie tie dyeing, shaving cream marbling, and Batik with Elmer's Glue. You'll love it!

Track 4 – ages 10-18
Photography and Graphic Design
Instructor: Lance Soodeen

In this class you will create custom logos that reflect your personality, school mascot, or favorite hobbies.

Students will explore current jobs available in the graphic design field.

Students will create custom flyers.

Requirements: a USB and a digital point-and-shoot camera or **fully-charged** smartphone with a camera and USB cable
